Fundraising Assistance Agreement

This agreement is between _____ &
_____ & _____
as coach.

Understanding of Expectations:

I/We understand that the fundraising assistance program is a "best efforts program" by all parties involved. This is not a function of National Heritage Foundation, nor is National Heritage Foundation to be obligated in any way to help participate financially or with resources.

Expectations of the Donor Advisors of the Foundation:

1. Need to make themselves available to their coach.
2. Need to set realistic financial goals.
3. Need to set realistic time frames.
4. Need to be realistic about the time they can allocate to the process

Expectations of the Fundraising Assistance Coach for the Prospective Parents:

1. To create a fundraising goal and goal schedule.
2. To identify a focus donor market.
3. To develop strategies for fundraising success.
4. To provide ideas for fundraisers.
5. To assist in creating appeal letters.
6. To schedule meetings/phone calls.
7. To answer questions.
8. To empower confidence.

Once this agreement is signed, it is understood that 5% of every dollar of <u>all</u> funds gifted or donated into your foundation account will be harvested by National Heritage Foundation to go to the Fundraising Assistance Program, even if family, friends, or employers donate the money. Once you have achieved your goals, you may choose to have the 5% to continue to go to the Fundraising Assistance Program or to an activities related adoptive program unrelated to your own.

We understand the above agreement and acknowledge and accept it:
